

**Instructions:**

1. Carefully observe the images in Figure 1.
2. For each image, write a caption that describes what you understand from the situation (actions, intentions, emotions, possible dialogue).
3. Base your interpretation only on what you see.
4. Once completed, you may compare your assumptions with your friends.

**Learning Objective:**

Learn to interpret a scene based solely on images, in order to develop your ability to read and understand visual documents.

**Your PDF document should include:**

1. **Page 1:** A cover page
2. **Page 2:** Your responses
